INFORMATION DISCLOSURE STATEMENT

Sir:

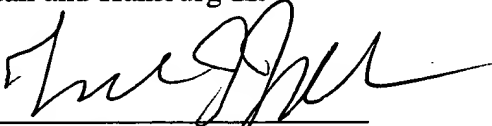

Attached hereto is Form PTO-948 along with copies of the two previously submitted Japanese references along with copies of the previously submitted English language abstract of each.

In the Official Action dated August 11, 2003, the Examiner stated that she did not receive the English language abstract of these two references. However, applicant's IDS dated November 5, 2001 indicated that the English language abstracts were attached thereto. Also applicant's postal receipt card lists the English translations of the abstracts and such postal receipt card indicated they were received in the Patent Office. Nevertheless, applicant is resubmitting these two IDS documents with the English language abstracts attached thereto.

It is believe there is no charge for filing this IDS because these documents were previously submitted.

Respectfully submitted,

Jordan and Hamburg LLP
